

Opening Gaits Therapeutic Riding Society of Calgary Information and Participant Registration Package

Welcome to Opening Gaits Therapeutic Riding Society of Calgary (Opening Gaits). On behalf of the members, staff, and volunteers of Opening Gaits, we extend a warm welcome.

Each session runs once a week for six weeks. **Session cost is \$250.00.** Opening Gaits and its donors subsidizes each participant an average of \$855.00 per riding session. We do our best to ensure that all riders have an opportunity to participate in our therapeutic riding program. Any rider requiring financial assistance is asked to contact the office at 403-254-4184.

It is important to remember that when OG places its riders we must consider the rider's physical needs, weight, ability; the horses we have available and their weight restrictions; as well the availability of volunteers. This is why it is important to ensure you include a second choice when checking days/times. Although we do our best, we cannot promise you your first choice when scheduling classes.

Riders must wear appropriate footwear and clothing when riding. The footwear must have a small heel to ensure proper grip of the stirrup and clothing must include long pants. For safety reasons, riders who are not appropriately dressed will not be permitted to ride.

Due to the nature of our program, it is important that you return your complete registration package in full. Incomplete packages will not be processed. All information gathered is protected under our personal information protection procedures.
